JUST A REMINDER...

- ✓ T-Ball is a great introduction to the game of baseball for 3 years of age through 8 years of age. Skills such as throwing, fielding, and hitting will be taught.
- ✓ Skills learned during practices will be reinforced in games. The batting tee will be used until near the end of the season for Div. 3-5, when soft-pitch will be introduced.
- ✓ Emphasis is on skill development, NOT on competition. Every child gets a chance to hit during each inning in the T-Ball division.
- ✓ There are no make-ups for weather or field related cancellations. In the event of an advanced notice of a Thursday game cancellation, Tuesday's practice time will be shortened and game time will be added.
- ✓ The color of a field may change location during the season, so always look for your field color before parking. Example...in the event of a water-logged field, the colored tarp representing that field may be moved to a dryer location. Always look for the colored tarp.
- ✓ The team listed first plays infield first.
