Week One: Nessy of Lake Nebagamon

June 10-14, 2019

Dear Campers and Parents,

It's time to go to CAMP! Week One has been heavily anticipated and we are so excited it is here! Activities this week will focus on the great outdoors, getting to know each other and investigating Lake Nebagamon's favorite creatures: Nessy, Yeti, and Leprechauns, oh my! We will follow the trails and learn as we go!

The field trip on Thursday, June 13th will be to Lucius Woods in Solon Springs! We will be having breakfast there, and spend our morning exploring the trails throughout the park, playing on the playground and field games. We will return to the camp for lunch, and then enjoying the rest of the afternoon swimming and games outside. There is no cost for this field trip. Please send the campers in their green day camp t-shirts for the field trip; it makes it much easier to keep track of them.

As we kick off the summer with our first week, I am filled with immense gratitude and excitement. We are headed into the BEST SUMMER EVER, and have been extremely lucky to have so much support and commitment to make sure of it. Over half of the staff is returning from last year, and we've brought on a few more fun friends to round out our summer.

Every Friday this summer, we are inviting out the parents, grandparents, siblings, and friends join us for lunch and make their campers' days at our hot dog and s'more cookout. Please join us in fun, giggles, and sunny adventures!

Rachel Eisenmann
Day Camp Director
Superior Douglas County Family YMCA

Important Reminders:

- Our field trip this week will be at Lucius Woods in Solon Springs (cost: free) This is a partial day field trip. **Please be sure to drop your campers off and pick them up at the Y that day, as we will not go to the camp until the afternoon.**
- Parents and close family are welcome to join us on **Friday at 11:45** for our weekly **hot dog and marshmallow cookout!** Please pack your own lunch. You're welcome to stay after for games and swimming, or you can sign your campers out to get a jump on your weekend plans. Camp's address is 7751 S County Rd S, Lake Nebagamon, WI
- All campers get one **camp T-shirt**. These will be available for pickup from Kim in the conference room across from the front desk. Please **dress campers in their camp shirts** for the **field trip on Thursday**.
- **Lost and found** will be kept near the Y's main lobby. If your child is missing anything, please check it out.
- Remember to check your campers for **ticks!**
- **Items to bring to camp:** swimming suit, towel, water bottle, light jacket, sunscreen, bug spray, lunch if desired (**lunch is provided for all campers**).
- **Items to leave at home:** electronics, trading cards, valuables. If these items need to be brought to camp, they must remain put away or they will be confiscated.
