SHOOTING STARS PRESCHOOL & WRAP AROUND CARE

2020-2021

YMCA SHOOTING STARS PRESCHOOL PROGRAM

Shooting Stars integrates the YMCA facilities with a traditional preschool experience.

Children learn character building skills such as Caring, Honesty, Respect, and Responsibility while developing an increased ability to think, reason, question and experiment. They learn how to follow directions and make choices in an environment filled with language and enrichment opportunities.

Our curriculum is a blend of teacher directed and individual learning experiences. Traditional preschool education includes concepts, colors, number and letter recognition.

Other activities include circle time, stories, center time, music, science, art, daily gym time for large motor development. Each two day session will include one swim time. Children must be potty trained.

The curriculum is planned to promote fun and learning for your child, as we strive to support the needs and desires of the families in our program. An important goal in our program is to encourage healthy growth in spirit, mind, and body.

Our Goals:

- ◆ To provide a safe, warm and comfortable environment in which each child can build strong, positive relationships with adults and other children.
- ◆ To understand each child's needs and maintain open communication with parents to strengthen the family unit.
- ◆ To model the YMCA core values of Caring, Honesty, Respect and Responsibility.
- ◆ To encourage individual development of self-esteem and confidence.

Times: Program offered Monday & Wednesday and/or Tuesday & Thursday. Each day runs from 9:00 am to 11:30 am.

Cost per 2 Day Session:

Members-\$27 General Public- \$29

For more information call the YMCA at 715-392-5611. Space is limited!

Wrap Around Care

Does your child need before or after care? Your child will enjoy their extended hours at the YMCA.
