

QUALITY LICENSED CHILDCARE

OUR PROGRAM

Superior YMCA Shooting Stars program is available for children ages 3 & 4.

Children learn character building skills such as Caring, Honesty, Respect, and Responsibility while developing an increased ability to think, reason, question and experiment. They learn how to follow directions and make choices in an environment filled with language and enrichment opportunities.

FINANCIAL ASSISTANCE

Through the generous contributions from YMCA Supporters to our Annual Support Campaign, the Superior YMCA is able to offer financial assistance. The first step is to complete an application for Childcare Financial Assistance found on our website or at our Member Service Desk. Return completed application to Kim Martin, our Childcare Director. Please allow two weeks for processing. If you are approved, you will be contacted by Kim. After you have been contacted, you may register for childcare.

For additional questions, contact our Childcare Director Kim Martin at 715-392-5611 EXT 101 or kmartin@superiorymca.org.

The Superior Douglas County Family YMCA reserves the right to verify financial information as well as reserves the right to accept or deny financial assistance.
