## Superior Family YMCA Financial Assistance Application

YMCA Financial Assistance is a needs-based scholarship fund made available through the Annual Support Campaign, by individual and business contributions. Financial assistance can provide you with a membership or program scholarship you can afford, whether you are applying as an individual or a family.

### Application Process (Please read carefully):

**Complete this application in its entirety.** Applications not entirely filled out will delay processing. If there are any missing documents, an attempt to contact will be made and the applicant will be responsible for supplying the missing document. Once an application and all applicable documents are turned in to the Member Services Desk, please allow 7 days for applications to be processed. You will receive a letter within two weeks of your application, notifying you whether or not you have been approved for assistance, and the length of your scholarship. After your award letter has been received, bring it with you to the Member Service Desk to activate your membership.

If you have not heard anything after approximately 2 weeks, you can check on the status of an award, by calling the Member Services Desk at 715-392-5611 ext108.

Here at the Superior YMCA we award financial assistance awards ranging from a 20-70% decrease in membership and/or program dues. Awards are good for up to one year, at which time your membership will automatically terminate. If you would like to continue at the end of your time, you will need to inform the Member Services team of this and fill out a new financial assistance application if still applicable.

It is the responsibility of each membership unit to cancel a membership if you no longer wish to continue your membership here at the Superior Y, prior to your scholarship end date, or if you wish to place your membership on hold. **Cancellation and change forms are due by the 20<sup>th</sup> of each month.** Requests received on the 21<sup>st</sup> or later of each month will be applied to the following month.

Memberships must be activated within 60 days of the award letter date. If a membership is not activated within 60 days, the applicant must reapply.

### Membership Payment Options:

Payment must be provided to activate membership. There are 2 different options for payment when activating a membership.

- i. Monthly Automatic Checking, Savings or Credit Card Withdrawal-You will need to bring in a voided check, blank deposit slip or credit card to get started with this payment option. This is taken on the 25<sup>th</sup> of each month.

The first installment of this payment type will include the joining fee, prorated of the month the membership is activated, plus the upcoming three months after. These payments must be paid in full.
