Y CAMP AT LAKE NEBAGAMON

JILL ANDERSON

CAMP COUNSELOR

I grew up at the Y and the Y camp, my dad was the director of both places MANY years ago. I also attended other camps and in college worked a summer at Camp Manitowish. While my children were little I worked at the Y as a gym and swim teacher and swimming instructor. I currently teach at the Superior Middle School. Four years ago the school district partnered with the Superior Y to provide teachers and bussing and I was fortunate enough to be able to join the camp crew.

What is your favorite thing about camp?

Difficult to choose a favorite about camp, many wonderful opportunities for campers and staff to grow and develop mind and body. If I had to choose a favorite it would be

being outside, active, exploring and creating new adventures along the way. It all happens "naturally" at camp through planned and unplanned activities.

What is a fun fact about you?

I am always up for any adventure or challenge that comes my way (except for singing, people may run and hide if that happens...).

Do you have a favorite spot or center at camp?

Anywhere I am making connections with campers. Infusing literacy through books, art, play, dance and song has been a favorite. It's amazing to see what many campers already know, the growth in campers as continued learning happens, and the excitement on their faces as they share with me and others.

What is your favorite animal?

I have two dogs, so I guess that would be it. ;)

I am most excited to be back at camp with everyone and looking forward to everything camp has to offer! (I missed last summer)
