Y CAMP AT LAKE NEBAGAMON

KRISTINA THUMS

CAMP COUNSELOR

Where are you from?

I am originally from Finland, Minnesota.

How long have you worked for the Y and what has been your position?

This will be my first summer at the Y working as a Camp Counselor!

What is your favorite thing about camp?

I attended Y camps as a child. My favorite thing to do then was getting to meet and connect with new people, and that is still something that I like to do. I have met so many people through camp, and I still talk to many of them!

What are you most excited for camp?

I am most excited for the opportunity to get to know all my campers and to have a great summer full of fun opportunities for students to grow and develop as learners. I also love the outdoors, and I am looking forward to getting outside and being active.

What is a fun fact about you?

I am honored to serve as the Princess of the Western Saddle Clubs Association! I have always had a love for horses and equestrian activities, and I own an appaloosa named Catcher! I am also a music teacher! I recently accepted a teaching position at Solon Springs. Starting this fall I will be teaching K-12 music, and I look forward to the opportunity to share music with others!

What is your favorite animal?

My favorite animal is a horse!
