About the Y

The Y is the leading nonprofit committed to strengthening communities through youth development, healthy living and social responsibility.

Our Cause Defines Us

We know that lasting personal and social change comes about when we all work together. That's why, at the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

Strengthening Community

With a focus on youth development, healthy living and social responsibility, the Y works to nurture the potential of children and teens, improve the community's health and well-being, and give back and support our neighbors.

At the Y, no child, family or adult is turned away due to inability to pay. We recognize that for communities to succeed, everyone must be given the opportunity to be healthy, confident, connected and secure.

Superior Douglas County Family YMCA provides scholarships for programs and memberships to children and families in our community. The Y is a unique nonprofit that offers subsidies to those in need, ensuring that our programs and services are available to all.

How We Do It

There is no other nonprofit quite like the Y. That's because in 10,000 neighborhoods across the nation, we have the presence and partnerships to not just promise, but to deliver, lasting personal and social change.

- The Y is community centered. For nearly 160 years, we've been listening and responding to our communities.
- The Y brings people together. We connect people of all ages and backgrounds to bridge the gaps in community needs.
- The Y nurtures potential. We believe that everyone should have the opportunity to learn, grow and thrive.
- The Y has local presence and national reach. We mobilize local communities to effect lasting, meaningful change.

The Y

"The Y, the oldest and largest social institution in the United States, has touched the lives of virtually all Americans. It gave the country basketball and volleyball, its best known popular contributions. But it also pioneered camping, public libraries, night schools and teaching English as a second language. The Y has provided war relief since the Civil War, and served immigrants and refugees from countries around the world. It has fostered understanding and cooperation within Christianity and among the world's major faiths. It has summoned the strengths of association to make communities stronger. The Y has probably touched more lives in America than any other volunteer or social institution."

Andrea Hinding, Professor, University of Minnesota

What Does The YMCA Stand For?

In the beginning, back in 1844, young men drawn to London for jobs in factories lived in squalid and unsafe conditions. Street life offered only taverns and brothels. A 23-year-old clerk named George Williams thought to improve the lives of young workers by offering a place for prayer, bible study, mutual support and group residence. The now famous initials stood for:

Young Men's Christian Association

The Y idea, which began among evangelicals, was unusual because it crossed the rigid lines that separated all the different churches and social classes in England in those days. This openness was a trait that would lead eventually to including in Ys all men, women and children, regardless of race, religion, financial circumstances or nationality.

So, we're not just for the Young, not just for Men, and not just for Christians any more. But we're still an Association – a community within a community – working to meet social, physical and spiritual needs for the greater good of all.

Because we welcome everyone, because we share what we have by offering financial assistance to those who cannot otherwise afford our programs and memberships, because we promote the core values of Caring, Honesty, Respect and Responsibility, and because we strive to engage and improve the spirit, mind and body, we state as our Mission:

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

The Y: We're for youth development, healthy living, and social responsibility.

Superior YMCA

Superior Douglas County Family YMCA was chartered in 1913, spearheaded by a group of dedicated citizens who believed in the values promoted by the Y and wanted to make a positive difference in the community. As our mission to increase our service coverage to neighboring counties developed, we have continued to grow and collaborate with schools, government agencies and a variety of nonprofit organizations.

Governing Board Member Responsibilities

Time Commitment

The Board meeting schedule is set for the year by the annual meeting. Meetings typically last no longer than 60 minutes. The meetings have traditionally been on Wednesdays at noon, but this could vary based on schedules. In addition each board member is expected to serve on a committee or task force that would generally meet monthly for an hour. Board members are also asked to attend special events throughout the year.

Typical Board Member Responsibilities

Ensure effective planning. Boards must actively participate in an overall strategic planning process and assist in implementing and monitoring the plan's goals.

Ensure adequate financial resources. One of the board's foremost responsibilities is to secure adequate on-going financial resources for the organization to fulfill its mission.

Protect assets and provide proper financial oversight. The board must assist in developing the annual budget and ensuring that proper financial controls are in place.

Enhance the organization's public standing. The board should clearly articulate the organization's mission, accomplishments, and goals to the public and garner support from the community.

Build a competent board. All boards have a responsibility to articulate prerequisites for candidates, orient new members, and periodically and comprehensively evaluate their own performance.

Hire, support and evaluate the chief executive. The board should ensure that the chief executive has the moral and professional support they need to further the goals of the organization.

Ensure legal and ethical integrity. The board is ultimately responsible for adherence to legal standards and ethical norms.

In partnering with the Y as a governing board member, you can feel confident your contribution will make a meaningful, lasting impact on our community and in the individual lives of many.
