FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

FACE MASKS ARE REQUIRED IN OUR FACILITY AT ALL TIMES AND IN ALL LOCATIONS (EXCEPT WHILE SWIMMING)

The State of Wisconsin has lifted the Statewide mask mandate, however, we are currently under a local City of Superior mask mandate and reserve the right to enforce our mask policy until further notice.

We need every Y member and the community to comply with the mask mandate.

HOW WE WILL MANAGE MASK MANDATE EXEMPTIONS:

Although you may meet the CDC or state guidelines for an exemption, we are requiring you to wear a mask whenever possible. This includes: entering or exiting the building, entering or exiting a space and moving to a new exercise station or machine. If you need to catch your breath or take a drink of water, please drop or lower your mask temporarily.

We understand that wearing a mask while exercising is challenging and not ideal. It can be difficult to adjust to breathing under a mask during physical activity, but it can be done.

We are asking you, our members, to partner with us to ensure we can keep our YMCA open.

Please adhere to the following procedures:

- Maintain social distancing, 6 feet or more, at all times
- Wash your hands regularly
- Clean the equipment before after each use
- Wear your face covering

For the health and well-being of our community, we need everyone's support to reduce the spread of COVID-19. Thank you for your attention and cooperation. We appreciate your Y friendship.
